This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Which Work, the Petitioners, with the utmoſt Submiſſion, apprehend may be of great Service, not only to the Public in general, but to all Perſons concerned in Trade and Navigation; and being deſirous of reaping the Fruits of their very great Expence and Labour, and of enjoying the full Profit and Benefit that may ariſe from printing and vending the ſame, without any other Perſon interfering in their juſt Property, which they cannot prevent without Our Licence and Protection; they have therefore moſt humbly prayed Us to grant them Our Royal Licence and Protection for the ſole Printing, Publiſhing, and Vending the ſaid Work, in as ample Manner and Form as has been done in Caſes of the like Nature. PROPOSALS

For Printing, by Weekly Numbers,

(AT SIX-PENCE EACH)

A THIRD EDITION (with conſiderable Additions and Improvements, interſperſed in the Body of the Work, alſo the Hiſtory and Revolutions of each Country, brought down to the preſent Time.)

OF

MODERN HISTORY:

OR, THE

PRESENT STATE

OF

ALL NATIONS,

DESCRIBING

Their reſpective Situations, Perſons, Habits, Buildings, Manners, Laws and Cuſtoms, Religion, Policy, Arts and Sciences, Trades, Manufactures and Huſbandry, Plants, Animals, and Minerals.

By Mr *SALMON.*

In which are comprehended, not only ſuch Voyages and Travels, as have been publiſhed already, but the Accounts and Obſervations of ſeveral judicious Travellers, who have lately viſited the remoteſt Parts of the Globe, and had great Opportunities of informing themſelves of the preſent State of the reſpective Nations they deſcribe.

This EDITION alſo contains an ABSTRACT of the antient HISTORY of moſt of the Countries deſcribed, and brings it down to the preſent Times.

The Whole adorned with CUTS of the various INHABITANTS, and MAPS of the ſeveral COUNTRIES, projected by *HERMON MOLL*, the moſt accurate and correct GEOGRAPHER of this Age.

AS the Author is not ſo vain as to think himſelf Maſter of every Talent requiſite for writing Hiſtory, yet he apprehends he has ſome Advantages that others want, who have attempted Works of this Nature. He has, in Perſon, travelled almoſt through every Climate; all the Travels extant, of any Value, have been peruſed by him. He has had the Aſſiſtance of great Numbers of Travellers, who have reſided in the ſeveral Countries he deſcribes; and has, with unwearied Application, for near Twenty Years, examined into the Credibility of the various Relations, throwing out the Rubbiſh, the numerous Repetitions and Abſurdities, with which moſt of our Collections of Voyages and Travels abound; after which, he has ranged the ſeveral Particulars treated of, under proper Heads, and endeavoured to render them equally uſeful and entertaining.

And, as it is no ſmall Satisfaction to him, to find the laſt Impreſſion ſo well received, as to go off in a very ſhort Time, he is encouraged thereby to redouble his Efforts to render this Impreſſion as free from Error as can be expected, in a Work ſo vaſtly extenſive, and conſiſting of ſuch Variety of Matter.

10165 CIc. de Offic. *Liber Membraneus eſt, lin. rub fol. deaurat. Tegm. Maur. deaurat.* —— *Mogunt. apud Fuſt.* 1466

Though both this Copy and another of Paper, printed by *Fuſt*, at *Mentz*, in the Year 1465, to one that does not compare them with great Accuracy and Attention, may ſeem to have appertained to the ſame Edition; yet, from ſeveral Circumſtances, it may certainly be concluded, that they belonged to different Impreſſions of this Piece of *Tully*: For the Letter *d* has different Forms in theſe Copies; the Words, which in one are terminated in *ſ*, in the other end in *s*; the ſyllabical *Compendia* are not in both the ſame, &c. at the End of the Book may be ſeen the following Words in red Letters:

Præſens Marci Tullii *clariſſimum Opus* Joannes Fuſt Moguntinus *Civis non Atramento plumali, Canna neq. Ærea, ſed Arte quadam perpulchra,* Manu Petri de Gernſhem, *Pueri mei, feliciter eſfeci finitum, Anno* M.CCCC.LXVI. *quarta Die Menſis* Februarii.

The Title, in both the abovementioned Copies, is exactly the ſame, *viz.*

Marci Tullii Arpinatis, *Conſuliſq.* Romani *ac Oratorum Maximi, ad* Marcum Tullium Ciceronem, *Filium ſuum, Officiorum Liber incipit.*

At the End of the *Offices* are inſerted the following *Latin* Verſes:

> Tullius, Heſperios *cupiens componere Mores,*
> *Edidit, hos Libros, appellans Officiorum,*
> *Quo ſolo ferus extinctus eſt Furor Catelinæ.*
> *Conſcilio Superum Cuſtos directus ad Urbem,*
> *Lux Orbis, Patriæq. Salus, Mens tota Senatus.*
> *Hic plus. Sole micat cruciatus propter Honorem.*

And under theſe, in our preſent Copy, is the following MS. Diſtich:

> *Excellunt Libros cunctorum Philoſophorum*
> *Libri quos fecit tres* Tullius *Officiorum.*

For a farther Account of this Edition, Recourſe may be had to Mr. *Maittaire*, in his *Annal. Typographic.* Vol. I. p. 60, 61.

Not.

Not. (*d*) (*f*). We muſt not omit obſerving, that the *Greek* Words and Sentences are greatly corrupted in both the aforeſaid Copies; which evidently demonſtrates the Ignorance and Illiterature of the Age, in which *Fuſt*, or *Fauſtus*, lived. In this fine Piece the initial Letters are moſt beautifully coloured, and the Text inriched by many explanatory MS. Notes, which ſeem to be as antient as the Book itſelf. The Copy, at preſent under Conſideration, is the very Book Mr. *Maittaire* had before him, when he wrote the Notes juſt referred to.

10166 Horæ Beat. Mar. Virg. &c.

The vaſt Number of Pictures, moſt beautifully coloured and illuminated, repreſenting ſeveral of the Actions, Sufferings, Death, &c. of our Bleſſed Saviour, as well as many Scripture Hiſtories, in this antient Piece, render it a real Curioſity. Perhaps, another of the ſame Kind is not to be met with. It was printed at *Paris*, by *William Anabat*; but the Year of the Impreſſion is omitted; however, from an Almanack in the Beginning of the Book, we may infer, that it came out ſomewhere between the Years 1500 and 1520.

This is a very fair and large Regiſter of many ancient Deeds, relating to that religious Foundation at *York*; all written in *Latin*, on Vellum, with the Initials illuminated, and Titles in red Ink. By theſe Deeds of Donation, Leaſe, &c. from *Henry* the Third's Time, to King *Richard* the Second's, and lower, it appears, that Hoſpital had very numerous and extenſive Poſſeſſions throughout the *Eaſt* and *Weſt* Ridings of *Yorkſhire*. There is an uſeful Index let in at the Beginning: Containing all the Places, mentioned in the ſaid Deeds, but it is written upon Paper, and in a more modern Hand.

20726 King Charles the Firſt his Letters Patent to the Town of Newcaſtle upon Tyne: Comprehending, the Information exhibited in the King's Bench Weſtminſter, by Sir Robert Heath, his Attorney-General, in the fourth Year of his Reign, againſt the Governour, Stewards, and Brethren, of the Brotherhood of the Hoſtmen of the ſaid Town; together with the Pleas and Defence of the Mayor and Burgeſſes thereof, diſtinctly and largely anſwering every Particular in the ſaid Information; proving their Right to what they claim, and diſavowing what they are falſely charged with therein: Concluding with the Royal Grant or Confirmation of all the Liberties, Privileges, Franchiſes, and free Cuſtoms by them claimed: The Whole ending with theſe Words: "Which Record, in our Court, before us, in Form aforeſaid "had, we have brought to be exemplified. In Witneſs whereof, "we have cauſed theſe our Letters to be made Patent: Witneſs "*N. Hyde*, at *Weſtminſter*, the 28th of *Nov.* in the Fifth Year "of our Reign. (Signed) *Fanſhawe.*

At the End of this Volume, there is a large Speech or Diſcourſe, fourteen Pages long, made by the Attorney-General *Hobert*, in a Cauſe then depending, concerning ſome Colledge Leaſes; the Doubt whereof aroſe upon the better Right of the two Leſſees of the Plaintiff, who claimed under Caſtilian; or of the Defendant, who claimed under the Colledge. In this Cauſe, *Hobert* was for the Plaintiff, and *Davenport* for the Defendant.

That is, from the Entrance of *Richard de Kellawe*, upon the Death of *Anthony Beck*, in 1310, the 4th of King *Edward* II, to the Time of the ſaid Bp. *Kellawe*'s Death, at *Middelham*, in 1316, as may be ſeen *fol.* 265, where it is written, *Explicit Regiſtrum Cartarum de Tempore R. This Regiſter of that Biſhop comprehends the whole Time that *John de Wytchurch* was his Vicar General, and ſomewhat beyond. It begins about the fifth Year of *De Bury*'s Conſecration, *Anno* 1338. And ends about the Year 1342, two or three Years before the ſaid Biſhop's Death. Between theſe Regiſters are ſeveral Liſts bound up, containing an Account of the ancient Taxes of the Churches in the Archdeaconry of *Durham*, alſo the Ordination of Prieſts of ſeveral Degrees; the Times when, and Places where, they were ordained by the ſaid Biſhop *de Bury*, &c. This is a ſmall but ſolid Work, collected in Commemoration of the noble Family of *Cavendiſh*. Here are no Conjectures or Fancies, raiſed thro' Flattery or Ignorance, to magnify the Name, or miſlead the Reader; nothing but Tranſcripts of Records, Patents, Rolls, Indentures, Eſcheats, Wills, and Inſcriptions from Monuments. It is continued from the Thirty-ſixth of *Edward* III, when *Stephen Cavendiſh* was Lord Mayor of *London*, down to the Fourth and Fifth of *Philip* and *Mary*, when Sir *William Cavendiſh* died. As for the Author, *St. lowe Knyveton*, Eſq; there are other Collections, of the like Nature, remain of his, unpubliſhed, in ſeveral Private and Public *Libraries*; among which, we find, he beſtowed the ſame Honour upon the noble Houſe of *Bruce*, as he has here done upon that of *Cavendiſh*. He lived in Eſteem with ſome of the ableſt Antiquarians of his Time, and died in the Year 1628. It is an Original, and neatly bound.
